Dry Hire Catalogue

26/27 collection

oh so CURIOUS

How it Works

Photographer - Angharad Stevens

All items featured in this brochure are available to hire on a DIY basis. Our dry hire service has a £150 minimum spend and is now open for bookings for weddings and events taking place in 2026 and 2027.

To secure your booking, a 20% non-refundable booking fee is required (or £50 for orders under £250). The remaining balance is due one month prior to your event date. A refundable security deposit of £100 is also required when the final balance is paid. This will be refunded once all items have been safely returned. Please note that any broken or missing items will incur a replacement fee in line with our replacement costs, which will be provided with your quotation.

The hire period runs from the day before your event until the day after. Items can be collected from and returned to our Bridgend studio. Local delivery may be available on request. Collection and return times will be arranged once the final balance has been paid.

All hire prices are listed per individual item and include post-event cleaning. Please note that linens (including runners, napkins and chair drapes) are not currently available as part of our dry hire collection. To receive a bespoke quotation, please contact us with your event date, venue and wishlist.
